

2019 Senior Stationery Requirements

Dear parents and carers

As we approach 2019, we would like to trial a different approach to stationery requirements for students in the Senior School.

With the launch this year of chrome books to each student in years 7 to 10, the need for some backpack items and stationery has reduced quite substantially. However, there are still certain items that will always be required and others that depend on the subject being taught.

The items that are required for every student, in every year level are listed below. These items are available generally in any department or supermarket store. These are pencil case items that we are asking you to provide for your child and to maintain availability during the year by replacing if necessary.

lead pencils HB	2B pencils	glue sticks
black pens	blue pens	red pens
coloured pencils	project markers or textas	highlighters
pencil eraser	pencil sharpener	plastic clear ruler
pencil case		

There are several other specific items that students will require during the year that will be provided by the school. We are asking for a contribution to supplement the cost of these essential items. These will be issued to students in the class as the teaching staff require their use. We are hoping to therefore avoid the cost to you of purchasing unnecessary items that may no longer be being used.

For a cost to you of \$40 for the year, the school will supply other necessary resources vital for your child's learning. These items include, but are not limited to:

Exercise books	Grid/graph books
Display folders	Document wallets
Copy paper	tissues

online program license fees.

We are seeking your assistance to provide the minimum requirements for your student, to allow more school funding to be allocated to improving the resources used to enhance your child's learning opportunities.
