

2021 Senior Stationery Requirements \$60

Dear parents and carers

At Namadgi School we are a community of learners and resources are distributed to students to use as needed throughout the year. Students are asked to provide their own pencil case items. For a small payment to the school, we will provide other stationery and exercise books as required. This method means teachers are able to access what they need immediately anytime throughout the year.

We would appreciate payment before the end of this school year but by Friday 12 February 2021 if you're not supplying your own child's resources.

Even though chromebooks and school computers can be used in many subjects, they are used to support student learning. Exercise books and stationery are still a vital requirement of education and learning.

The items that are required for every student, in every year level are listed below. These are pencil case items that we ask you to provide for your child and to maintain availability during the year by replacing if necessary. These items are available in any department or supermarket store.

lead pencils HB	2B pencils	glue sticks
black pens	blue pens	red pens
coloured pencils	project markers or textas	highlighters
pencil eraser	pencil sharpener	plastic clear ruler
pencil case		

The following specific classroom resources are some of what is needed for learning across a range of subjects and electives in 2021. These items include, but are not limited to:

exercise books	grid/graph books	music exercise book
display folders	document wallets	visual arts diary
whiteboard markers	scissors	
copy paper	tissues	online program license fees.

For a cost to you of \$60 for the year, the school will supply these, and other necessary resources required for your child's learning.

Alternatively, you are welcome to personally purchase the classroom resources to be used by your child. The minimum required would be at least an exercise book for each subject studied, a display folder for electives, subject specific exercise books as well as online subscription charges, copy paper and tissues. Please bring your backpack items to school with you during the first few days of school next year, including payment of \$15 for online programs.

Elective contribution charges are also necessary to keep up with subject demand of consumables used. Wood and metal, fresh food and groceries, clay, paints and paper, and online subscriptions are all ongoing costs necessary to provide a wide scope of electives. Passion projects cover a range of student interests and can also require funds to be able to supply necessary provisions to students. Please contribute to the elective costs of those your child is studying so we can maintain the high standard of materials used and the elective choices available.

We thank you in advance for your support toward your child's learning in 2021.

Gareth Richards
Principal

2021 Year 7 to 10 Stationery Requirements
\$60

Student's name: 2021 Year level
