PURPOSE

This policy will provide guidelines to assist in determining the Responsible Person at Namadgi School Preschool Unit.

POLICY STATEMENT

1. VALUES

Namadgi Preschool is committed to:

- meeting its duty of care (refer to Definitions) obligations under the law
- ensuring staffing arrangements contribute to the health, safety, wellbeing, learning and
- development of all children at the service
- meeting legislative requirements for a Responsible Person to be on the service premises at all times.

2. BACKGROUND AND LEGISLATION

Background

- Under the Education and Care Services National Law Act 2010, it is an offence to operate an approved centre-based education and care service unless a Responsible Person is present.
- Legislation requires that a Responsible Person is physically in attendance at all times the service is educating and caring for children. The Responsible Person is either the Approved Provider (or the person in management or control of the service), the Nominated Supervisor of the service, or a Certified Supervisor who has been placed in day-to-day charge of the service. For more information regarding these terms, refer to Definitions.
- An Approved Provider must not operate a service unless there is a Nominated Supervisor appointed for that service. The Nominated Supervisor does not have to be in attendance at the service at all times, but in their absence, a person with a Supervisor Certificate (a Certified Supervisor) is to be placed in charge, ensuring there is always someone on the service premises who has been assessed as fit and proper by the Regulatory Authority. It is important to note that a Certified Supervisor placed in day-to-day charge of a service does not have the same responsibilities under the National Law as the Nominated Supervisor.
