

Dear Families,

Thank you for your support to get Week 1, Term 2 off to a positive start. Whilst we have worked through a few teething issues with the online programs and getting the Safe and Supervised program at Chisholm running, we are now in a much better position. You will find within this correspondence today codes for Google Classes, relating specifically to Years 6-10, senior LSU and specialist classes. Please keep these somewhere handy to help log on to classes as we progress online learning into the term.

Most of the questions I have been receiving recently relate to, “when will we be able to resume classes at school”? At this stage I do not have an answer as this decision is made at a Government level, not at a local school level. I will continue to send Government messages as they come to hand and keep families updated as best I can in order to communicate our position and the Directorates decisions. Right now, we are continuing to support the online learning approach, practising social distancing and supporting students who need to attend the Safe and Supportive program at Chisholm School.

Please remember that school attendance during this period remains compulsory and staff are required to log student attendance. We have many methods to ensure our data is as accurate as possible, but it does rely on students logging in, meeting teachers in Google Meets and Classes or in the early years meeting with your teacher and classmates on Seesaw.

Hopefully we will receive updates on the ever-changing school situation soon and we can start to think about getting back to the classroom in the physical sense.

Kind Regards,

Gareth Richards  
Principal Namadgi School

# Secondary Class Codes

## Year 6

Teacher	Subject	Classroom Code	Alternative Application
Ms Ikin	Japanese	4dmvfip	4dmvfip
Ms Ikin	Japanese	4dmvfip	4dmvfip
Shannon Kumar	English	no5nafx	
Shannon Kumar	Mathematics	kpftxpb
