
2020 Year 3 to 6 Stationery Requirements \$70

Dear parents and carers

In 2019 we trialled a different approach to stationery and backpack requirements for students in Years 3 to 6.

Students were asked to provide their own pencil case items and rather than each student purchasing their individual classroom items, for a small payment the school provided stationery and exercise books to the teacher as required. This method proved successful with teachers able to access what they wanted immediately anytime throughout the year. This has minimised the need for students to have 'spare' books or folders that may not get used during the year.

The items that are required for every student, in every year level are listed below. These are pencil case items that we ask you to provide for your child and to maintain availability during the year by replacing if necessary. These items are available generally in any department or supermarket store.

lead pencils HB	2B pencils	glue sticks
coloured pencils	project markers or textas	pencil eraser
pencil sharpener	wooden ruler	pencil case

The following specific classroom resources are some of what is needed for learning in 2020.

exercise books	grid/graph books	year level specific lined books
display folders	document wallets	A4 whiteboards
whiteboard markers	scrapbooks	project books
oil pastels	scissors	coloured card
copy paper	tissues	online program license fees.

You have the option to pay the school \$70 before Friday 13 December 2019 to cover the cost of these resources for the 2020 school year. These will be distributed as needed throughout the year.

Alternatively, you are welcome to personally purchase the classroom resources to be used by your child. There is a list of items on the reverse of this page for this purpose which is what would be the minimum required for a year of learning. Please bring your backpack items to school with you during the first few days of school next year, including payment of \$15 for the online mathspace program.

Payment options are over the page. Please make payment before Friday 13 December if you want the school to supply items for 2020.

We thank you in advance for your support toward your child's learning in 2020.
