

Classroom Consumables for Kindergarten to Year 6 in 2022 \$90

Dear Parents / Carers,

At Namadgi School we work as a community of learners. For best effectiveness to students, teachers and parents, many resources are combined and distributed to students to use as needed throughout the year, either individually or as class sets. To assist in setting our students up for learning success each year the school purchases stationery supplies for every student in each year level. In consultation with our School Board, P&C and teaching staff, we will be bulk ordering school stationery supplies for 2022 to ensure delivery is ready for the first day of school next year, and to streamline the process for you.

These supplies will cover your child's curriculum needs throughout the year, and include items such as:

- ✓ Online subscriptions for student's and parental use
- ✓ lead and coloured pencils, crayons, pens
- ✓ textas and other markers
- ✓ scrap and exercise books
- ✓ folders and display books
- ✓ whiteboard markers and whiteboards
- ✓ paints, craft paper and card
- ✓ geometry sets, maths equipment and counters
- ✓ glue sticks, scissors, erasers, rulers, sharpeners etc
- ✓ copy paper and tissues.

This method means students are able to access the stationery they need immediately at any time throughout the year.

The cost to you for your child's consumable supplies in 2022 is \$90.

Some students may prefer to have their own pencil case and are more than welcome to do so.

If you need financial assistance with this payment, please let us know. We thank you for your support toward your child's learning.
